A shout out from

Claire, our Director of Care

What a year! It's been completely bonkers and I can't believe we are in December already! But it has also been a year where I can honestly say I am proud to work with our fantastic staff at Bluebird care. The challenges have come, thick and fast, and with team work we have all faced them head on. From our staff in the office to our frontline care workers, I am truly grateful for their hard work and dedication. It's not been easy and there have been tears along the way but the passion to get it right and the drive to genuinely care got us through. Now where did I put that Gin.... cheers!

Hello,
I want to tell you that you have a very special mum; she is one of the people that we clap for at 8pm every Thursday evening.
She is a Keyworker and when she goes out to work she is helping people to live safe in their own home, and I am very proud to be able to say I work with her.
I thought you might like to colour in something to show your mum how special she is and to help me say 'thank you' for everything she is doing. I also want to say a big 'thank you' to you for staying home and keeping safe too. It is very important that we all look after each other and we couldn't do our job without your help.
Stay safe and happy colouring.
