The service, aptly named 'Bluebird Care Buddies', will be provided by our experienced team members who have been delivering care and support to local residents in their own homes since 2013.

If you have a family member or friend that you feel would benefit from a free 30 minute visit to have a chat and some company, then please apply for the Bluebird Care Buddies companionship service and tell us why you feel they should be selected.

Make May Purple
for stroke

On Friday 20th May 2016, the team at Bluebird Care Newmarket and Fenland were delighted to participate in raising money for the Make May Purple campaign. Our teams donated £2.00 each and wore purple for the day. Cakes were also available throughout the day for the team to enjoy, all raising money for the Stroke Association. The team also braved the weather at the Downham Market carnival, thank you to all of the team that supported this great charity!

The Stroke Association is the UK's leading stroke charity Make May Purple encouraged people to take part by either baking, wearing or planting purple, as a way to raise awareness and show support for the great work that the Stroke Association does.
