EMPLOYEE OF THE MONTH – JUNE

July brought a double celebration for Rameeza Murtaza, who was named our Care Expert of the Month alongside celebrating her birthday! 🎉 Rameeza's consistency, great efforts and dedication to our customers have earned her this well-deserved recognition. Congratulations, Rameeza and a very happy belated birthday.

A LIVE-IN CARE STORY OF INDEPENDENCE AND CONFIDENCE

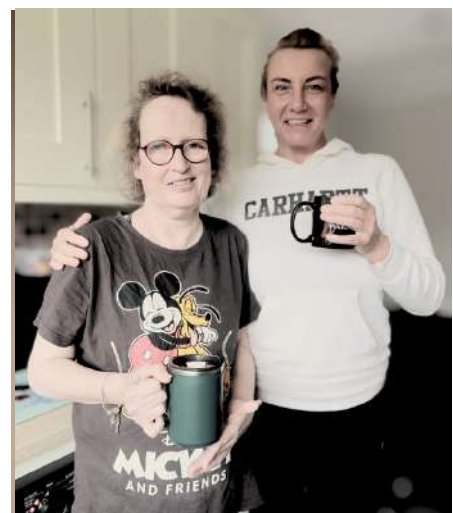

Sarah began receiving care from us in September 2025, she has made significant progress towards greater independence and confidence.

With support shaped around what matters to her, Sarah is taking greater control of everyday choices, managing her own space and becoming more socially confident.

Her progress shows in meaningful everyday moments, from choosing her own Christmas tree and making outfits for her beloved dog, Lily, to confidently sharing her story in a video interview.

"They've helped me get my life back on track... I feel like I've got more control now."

Sarah's journey is a wonderful example of person-centred care, supporting someone in the comfort of their home, to make their own choices, build confidence and look forward to the future.

CARE EXPERT OF THE MONTH – JUNE

A huge congratulations to Alessia Hunt, our Care Expert of the Month for June 2026!

Alessia has been recognised for her dedication, kindness and commitment to providing exceptional care to our customers. Her caring nature, positive attitude and willingness to go the extra mile reflect the values we are proud to see across our team.

Her continued hard work and commitment make a meaningful difference to the people we support, and this recognition is thoroughly deserved.

Well done, Alessia, and thank you for everything you do! ❤️

A FANTASTIC WEEKEND AT ASHFIELD SHOW 2026

Bluebird Care Mansfield & Ashfield was delighted to be part of Ashfield Show 2026, held at Sutton Lawn from 7th to 9th August.

Across the three-day event, Sutton Lawn came alive with live entertainment, local traders, food, family activities and the Ashfield Community Zone, bringing people and organisations from across the district together.

Our team loved being right at the heart of it, meeting local residents and families, answering questions about home care and the support available to help people remain independent in their own homes. We also had some great conversations with people interested in starting or developing a career in care.

Most importantly, it was an opportunity to spend time within the community we support every day, catch up with familiar faces and meet plenty of new ones.

A huge thank you to everyone who stopped by the Bluebird Care stand for a chat and to everyone involved in bringing such a fantastic community event together. We thoroughly enjoyed all three days and look forward to the next one! ❤️
