Cardiff and The Vale

Hi there, welcome to your *monthly newsletter*

Barry Blue Event

Bluebird Care Cardiff and The Vale were proud to attend the **Turning Barry Blue** event hosted by **Dementia Friendly Barry**, showing our support and raising awareness around dementia and the importance of community care. The event brought together local organisations and residents and it highlighted the needs of those living with dementia. Our attendance reflected our ongoing commitment to compassionate, high-quality home care to support those affected by dementia.

Forget Me Not VE Day Celebrations

The attendees of the **Forget Me Not Hub** came together to **celebrate VE Day!** The afternoon was filled with warmth, reflection, and a strong sense of community, made even more memorable by a visit from our local PCSO, who took the time to chat and connect with everyone. One of the most touching parts of the day was sharing and looking through photographs of loved ones who had served in the war. A lovely moment to honour and remember the incredible sacrifices made by past generations. It was a great afternoon that reminded us all of the importance of remembrance and togetherness.
