CELEBRATING OUR FIRST LIVE-IN CARE CUSTOMER

We are delighted to share another proud milestone for our office – our very first Live-in Care service will begin this September. A huge step forward in the care we provide, allowing our customers to remain in the comfort of their own homes with dedicated support around the clock.

A big congratulations to our entire team for making this possible, and a special thank you to **Karen**, whose hard work, dedication, and attention to detail have been instrumental in turning this vision into reality.

This achievement reflects our teamwork, dedication, and commitment to growing together while making a lasting difference in our community.
