Live-in Care

Your personal live-in care assistant♥

your life
your home
your care
your way

You love your home and you feel safe there. Needing additional care and support shouldn't change that.

Home care with Bluebird Care, keeps you safe at home.

You may be in a situation where you need an extra pair of hands to help with daily chores, or you may have complex needs that require more dedicated care.

We build our care packages around you and your individual needs which means that you and your family can rest assured you'll receive care and support exactly as you need.

Care at home provides continuity, a familiar routine and in your most familiar environment - your own home.

Receiving care and support at home means you benefit from 1-2-1 care, allowing you to develop strong relationships with your care assistants.

Their experience and training ensures you receive the highest quality of care, whilst their happy disposition brings you joy and laughter.

Starting from as little as a 30-minute visit a day, through to full Live-in care, we tailor our package to suit your exact requirements and support a wide range of needs from companionship to high-dependency packages, from basic needs to facilitating interests and hobbies.

With our well-trusted care service, you can remain at home surrounded by loved ones and beloved pets and still enjoy your home, garden and community.
