

Bluebird really do understand what the word 'care' means. I would **strongly recommend** them.

Top class service

Highly recommend. My old dad was **exceptionally well looked after by this wonderful team of people**. They would even take time out in their busy schedule to write me little messages about him on a daily basis. Excellent communication from care provider, **kind and compassionate** throughout. Made a point of getting to know the bones of dad. We were incredibly pleased and thankful that we found Bluebird Care.

My mum-in-law, who is 97, needs more help and assistance and cannot be on her own during the day. I will shortly be returning to work and wanted to get mum's care during the day settled before I return. I have been **very impressed with the level of service**. Everyone is warm, friendly and very professional

My mother looks forward to the Bluebird carers coming each day. They are all **very pleasant and communicate well** if there are any issues that I need to be aware of. The management team are easy to deal with, helpful and responsive. Highly recommended.

I have carers 4 times a week for 30 minutes at lunchtime. They are very **friendly and helpful**. They are nearly always punctual but I appreciate the fact that they let me know if they are delayed by a telephone call. I enjoy the friendliness and social contact and their help which means I can stay in
